

Dear Hiring Team,

I'm Usman, a **data-driven** Master's student at HTW Berlin with a passion for transforming data into actionable strategy. I am writing to apply for the **Working Student Growth Strategy** position at **Tradebyte**, which I discovered on your careers page. Your position at the intersection of data, strategy, and e-commerce aligns perfectly with my experience in building analytical models and conducting market analysis to drive business impact.

Data Analysis and Reporting

You need someone who can support the team with **key performance data**. At my previous role at HashMove, I built advanced Excel models and BI dashboards for sales forecasting and value proposition analysis. I am proficient with **data visualisation tools** (Tableau, Power BI) and **Excel/Google Sheets**, and I am adept at **collecting, analyzing, and maintaining key performance data** to create **dashboards** along with automating **reports** using n8n.

Market and Competitor Analysis

This role requires conducting **market and competitor analysis** to find **growth opportunities**. I have practical experience in this area. As a Consumer Insights Intern at Dawlance, Pakistan's largest home appliance company, I led [five research projects](#) with IPSOS that generated insights to optimize our ecommerce strategy. I also recently completed a deep-dive [competitor analysis](#) of leading BPM solutions (Signavio and Celonis), identifying strategic differentiators. You can also view a mindmap I recently created for a [competitive intelligence platform](#).

Proactive, Commercially-Focused Mindset

I thrive in **commercially-focused teams** and bring a **winning mindset** to my work. This is demonstrated by my experience developing go-to-market strategies at HashMove and being a National Finalist in the L'Oréal Brandstorm competition. I am **ambitious** and eager to contribute to the team's 'kick-ass' mentality.

Non-Confidential Projects & Certifications

- [Agentic AI in Finance](#): Exploring Agentic AI players and use cases in Finance.
- [Figma Article Illustrations](#): Simplifying Agile SDLC concepts for diverse audiences.
- [Consumer Insights Research](#): Studies benchmarking against Haier's digital strategy
- [Signavio vs Celonis](#): competitive analysis of leading BPM solutions
- [Certifications](#): Intermediate SQL, Intermediate Python, Customer Analytics (UPenn)

Position Preference & Availability

I'm based in Berlin and immediately available. I speak **English (C2)** and German (learning A2) and thrive in fast-paced, collaborative environments that value growth and experimentation.

Thank you for your time and consideration.

Warm Regards,

Usman Zakria
